

## **St. James Polish Club Volunteer Opportunities**

**Dear Club Member:**

Our club does not collect dues. Our events/activities are organized by dedicated volunteers. Without these volunteers, we could not exist. They do a wonderful job planning, negotiating costs and overseeing each event while ensuring that all events/activities are self-sustaining.

We would like to offer more activities, but we need help. Please consider volunteering.

Currently we have the following volunteer opportunities:

- Lead for our next major event: **Polish Constitution Day Celebration – May 3, 2024**
- Webmaster – Keep the website updated.
- Historian – Ensure that events and activities are photographed, and pictures are posted on the website.
- Photographer(s) – Take photographs at events and activities
- Activities Committee Member – Join the Activities Committee to identify and oversee Club events.
- Support for Polish Fest on October 14.
- Support for Christmas Dinner on November 30.
- Event Lead or Support for the following:
  - 9 and Dine Golf
  - Small Group Polish Dinners
  - Polish Cooking Classes
  - Polish Genealogy Group
  - Polish Heritage/Culture Classes
  - Polish History Classes
